Make Your Four-Post Lift Portable, and Roll On

The Caster Kit is a portable wheel kit designed for those who love the lifting power of their BendPak HD-7 and HD-9 series [four-post lifts](#) but find that their shop or garage would be that much more efficient if they were portable. Because of the stability of the four-post lift design, the Caster Kit accessory allows BendPak HD-7 and HD-9 series lifts to be safely rolled around so you can rearrange your shop with ease.
